

Jane Austen Country Tour

The Dancing Years

*Follow in her footsteps,
And walk where she has walked,
Stand where she must have stood,
And tread where she has trod.
Touch what she must have touched
And see what she has seen,
And just imagine...*

Jane Austen Country Tour

It is a truth universally acknowledged that a visitor to Hampshire must be in search of an appreciation of Jane Austen.

For a trip to remember... forever.

Follow in her footsteps with a personal guide. Visit what Jane called, 'the neighbourhood', the picturesque villages, churches, country houses, and trace the Austen and other families that she mentions in her early letters.

See in a few hours what would have taken her days!

This unique tour will take you to the quieter, special places less frequented by the majority of visitors, where she spent the first twenty- five years of her life.

Explore and experience the countryside that inspired her to write 'Northanger Abbey', 'Sense and Sensibility', and 'Pride and Prejudice'.

Your guide will help you understand the social and cultural influences on Jane Austen's formative years.

Take a morning, afternoon or a full day tour with friends, family or colleagues in an air-conditioned people carrier. Perhaps lunch in a country inn. Why walk when you can ride?

Departures from Basingstoke, Jane Austen House Museum, Chawton, local railway stations, or elsewhere by arrangement. Customised itineraries can be made by special arrangement, price upon application.
